### NEW PAINTINGS

I have been painting a lot of people lately. Not even solo people - all of my [people paintings](#) so far have at least 2 people in them! This has been fun and challenging.

Right now I am working on a big 30x40 inch painting with 10 kids playing. It is the most challenging painting I've ever attempted, and I am really excited about how it is turning out.

Of course I have been painting [fruit, landscapes and birds](#), mixing things up.

Be sure to check my [Available Paintings](#) web pages to see all available paintings.

oil on canvas, \$180

## MOM LOVING PROJECT UPDATE (Dads too?)

My [Mom Loving Project](#) has been really successful. I have been overwhelmed by great response and interest by moms, and I think the paintings are turning out really well. I'm almost 1/2 way to the 30 paintings for that project, so if you would like to have a Mom Loving Painting, email me right away!

Some of my [People Paintings](#), 6x6-16x20 in, oil, \$180-600.

One surprise I've had is that a lot of moms have sent me photos of dads and babies.

My 3 year old son is very interested in talking about being a parent when he grows up, so painting dads and babies has become very personal to me. I may end up doing a separate 'Dad Loving Project.' Or I may mix them together and change the name.

Either way, I plan to put these paintings into a book, and I will keep you posted about that.
